The UM Graduate EFG Scholarship Program

ORSP Research Development & the Graduate School
Before we begin...

This is an outline with all the details, links, and resources you might need!
You want to apply for some grants or fellowships.
Let us help you
External Funding for Graduate Students Exists (a lot more than you might think)
How ORSP Research Development can help:

- find funding opportunities
- review and give feedback on proposals
What is EFG?
Encouraging Fellowship & Grant (Applications)
You can get up to $1000 for just applying
Am I Eligible to Apply?

- **UM Graduate Student**: (Enrolled in at least 9 hours in the Fall and/or Spring term)
- **Enrolled in at least one eligible graduate degree program**: This applies to single and dual degree students
- **Confirm the external grant or fellowship being pursued is on the pre-approved list**: This list is published by the ORSP RD and the Graduate School
- **Online students, non-degree, and certificate-only students are not eligible at this time**
- **Submit a non-binding internal Notice of Intent**: Submit at least six weeks before the application is due

Am I Eligible to Apply?

UM Graduate Student
(Enrolled in at least 9 hours in the Fall and/or Spring term)

Enrolled in at least one eligible graduate degree program
This applies to single and dual degree students

Confirm the external grant or fellowship being pursued is on the pre-approved list
This list is published by the ORSP RD and the Graduate School

Online students, non-degree, and certificate-only students are not eligible at this time

Submit a non-binding internal Notice of Intent
Submit at least six weeks before the application is due
What if my fellowship or grant isn't on the Pre-Approved List?
PIVOT BY PROQUEST

PIVOT is an online database where you can search thousands of funding opportunities to find the right one(s) for you.

Log in using your UM WebID and password and you will be able to:
- Search and explore funding opportunities
- Track the progress of funding opportunities that interest you
- Explore lists of funding opportunities curated toward different topics and interests
- Get personalized funding recommendations based on your research interests

ORSP Research Development HIGHLY recommends setting up a meeting to have us show you how to use PIVOT to its full potential and get the most out of the resource

## Notice of Intent (NOI)

- **EFG Scholarships Proof of External Submission**: Due Date 05/30/2023, Category: Internal Grants
- **CRSP Faculty Travel Grants - FY 2023**: Due Date 05/15/2023, Category: Internal Grants
- **EFG Scholarships Internal Notice of Intent**: Due Date 03/30/2023, Category: Notice of Intent or Interest
- **MS-NASA-EPSCOR PhD Travel Grants**: Due Date 04/30/2027, Category: Open Funding Opportunities
- **IDRUM Exploration Groups**: Due Date 06/30/2023, Category: Other

[https://olemiss.infoready4.com](https://olemiss.infoready4.com)
What do I need to provide for the NOI?

1. Current Degree Program
2. Short Biographical Statement
3. Proposal Details (Title, Comments)
4. Funding Opportunity Info: Name, Date, Sponsor Organization, Website, etc.
5. One Page Document: Overview of Opportunity, Application Plan, And Plan For Utilizing Award If Granted
6. Any Other Pertinent Documents
Within one week of submitting your EFG NOI, you should receive an email from ORSP Research Development that includes:
Within one week of submitting your EFG NOI, you should receive an email from ORSP Research Development that includes:

Confirmation of eligibility for opportunity and EFG Incentive
Within one week of submitting your EFG NOI, you should receive an email from ORSP Research Development that includes:

- Confirmation of eligibility for opportunity and EFG Incentive
- Confirmation of availability of funds for EFG Incentive
Within one week of submitting your EFG NOI, you should receive an email from ORSP Research Development that includes:

- Confirmation of eligibility for opportunity and EFG Incentive
- Confirmation of availability of funds for EFG Incentive
- Any additional instructions from ORSP Research Development
APPLICATION
PROCESS
APPLICATION
PROCESS
Once NOI is submitted, develop your grant/fellowship application

- Develop Your Application
- Obtain Formal Feedback From Two Readers
- Submit Application To Desired Organization

Submit EFG Proof Of Submission
- Receive Acknowledgement From ORSP RD That EFG Requirement Were Met
- Receive Payment Of Incentive
Once NOI is submitted, develop your grant/fellowship application.

Develop Your Application

Each external funding opportunity that you find will have its own application requirements. Follow that sponsor’s instructions in preparing your proposal.

Once your application is complete, don’t submit it just yet. It is IMPERATIVE that you complete step two before submitting your application.
Once NOI is submitted, develop your grant/fellowship application

- Develop Your Application
- Obtain Formal Feedback From Two Readers
- Submit Application To Desired Organization
- Submit EFG Proof Of Submission
- Receive Acknowledgement From ORSP RD That EFG Requirement Were Met
- Receive Payment Of Incentive
Once NOI is submitted, develop your grant/fellowship application.

**First Reader:** A member of the University of Mississippi faculty, who may be the applicant’s advisor or any other faculty member.

**Second Reader:** Any other member of the UM community who is able and willing to provide constructive feedback on the proposal. Ex: the Graduate Writing Center, the Intensive English Program, the Office of National Scholarship Advisement, ORSP Research Development, etc.
Once NOI is submitted, develop your grant/fellowship application

- Develop Your Application
- Obtain Formal Feedback From Two Readers
- Submit Application To Desired Organization

Submit EFG Proof Of Submission

Receive Acknowledgement From ORSP RD That EFG Requirement Were Met

Receive Payment Of Incentive
Once NOI is submitted, develop your grant/fellowship application for the desired organization. Just like the application, each external funding opportunity that you find will have its own submission process and portal. Follow that sponsor’s instructions during the submission process.
Once NOI is submitted, develop your grant/fellowship application. Submit Application To Desired Organization.

Remember to take screenshots or save your proof of submission of your application. If you have multiple forms of proof, combine them into one PDF to upload.
Once NOI is submitted, develop your grant/fellowship application.

- Develop Your Application
- Obtain Formal Feedback From Two Readers
- Submit Application To Desired Organization

Submit EFG Proof Of Submission

Receive Acknowledgement From ORSP RD That EFG Requirement Were Met

Receive Payment Of Incentive
Once NOI is submitted, develop your grant/fellowship application - a summary of your process as well as the feedback you received from your two readers in 500 words or less.
- a screenshot or copy of the aforementioned email from ORSP RD.
- proof of confirmation of your successful submission
- a copy of the final version of the application you submitted to the sponsor.

- Submit Application To Desired Organization

Submit EFG Proof Of Submission

Receive Acknowledgement From ORSP RD That EFG Requirement Were Met

Receive Payment Of Incentive
Once NOI is submitted, develop your grant/fellowship application. The EFG award, once accepted, will be distributed to your Bursar Account.
ORSP Research Development also asks that you let us know the results of your external funding application.

congrats!
The EFG Scholarship will be calculated as:
- 5% of the proposed external award amount but not more than $1,000, for first-time submissions to a given funding opportunity
- 2.5% of the proposed external award but not more than $500, for the 2nd submission to a funding opportunity for which a previous EFG Scholarship was received

Other Conditions:
- The funding applied for must be for a minimum of $1,000.
- The purposes of the fellowship or grant must be the conduct of research or creative scholarship and/or the dissemination of findings resulting from research or creative scholarship.
- Each student can receive a maximum of $2,000 from the EFG Scholarship program in a particular fiscal year.
All EFG Awards funding limits are subject to available UM funding in a given fiscal year. In FY2023, a total of $20,000 has been budgeted for this program.
